

Thank You Lord

Text: Evelina Gard

Musik: Evelina Gard, Magnus Ahlgren

Hear the sound of our praise
unto You now we raise
Hands up high to Your name
All You are all You've done
It's above and beyond
More than words can explain

Overwhelmed by Your grace
What You did for my sake
Never more on my own

Thank You Lord
Thank You Lord
Thank You Lord
I'm saying thanks

Hear our voices resound
as Your people abounds
in Your presence oh Lord
How can we ever express
all of our thankfulness
Words are just not enough

Savior, Lord, Mighty King
high above everything
closer than my best friend

Thank You Lord
Thank You Lord
Thank You Lord
I'm saying thanks

Ooh....
Thank You Lord
I'm saying thanks

Thank You Lord
